Your Mini-League vs. the World

The average score of your mini-league vs. the FPL universe. This chart shows your mini-league's median rank (left axis) and average points (right axis) by Gameweek (horizontal axis).

Score per Gameweek: How do you match up?

The best, worst and average score in your mini-league for each Gameweek to match your scores up against.

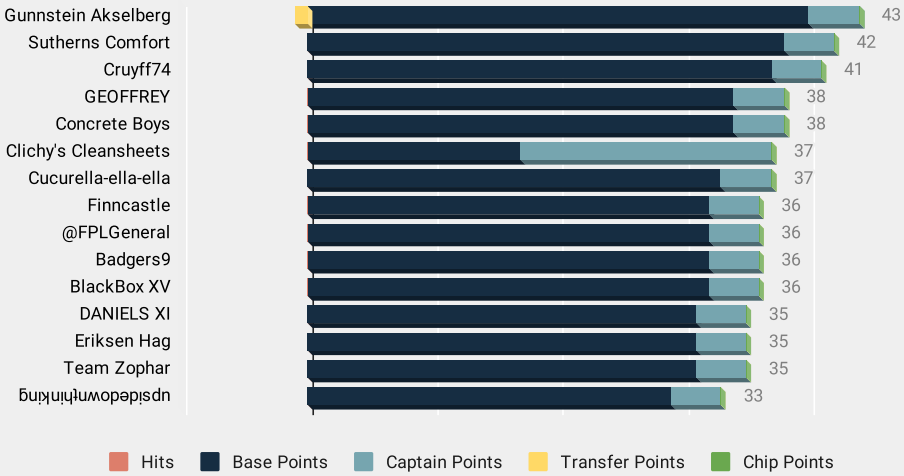

2. GW35: THE REVIEW

The Great and The Good

Gameweek 35

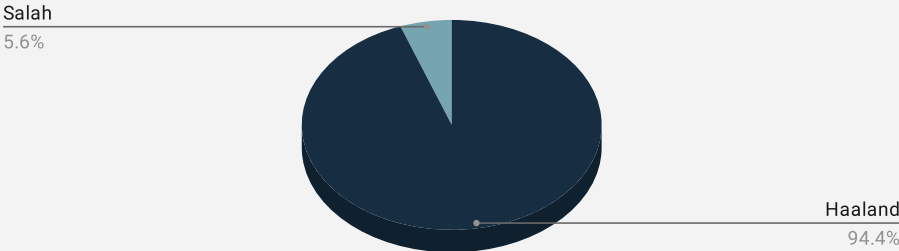

Top 15 Teams this Week - Breakdown

This chart shows the top teams this Gameweek sorted by **net points** (which are shown as a number at the end of the bar). We show contributions to the net from manager actions!

GW35: Most Captained in your Mini League

We show the top five most captained players in your mini-league (or as many as were picked), shown as a percentage of managers that put the armband on them.

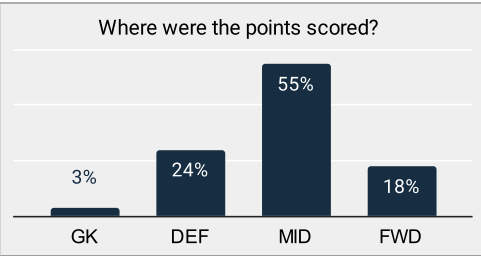

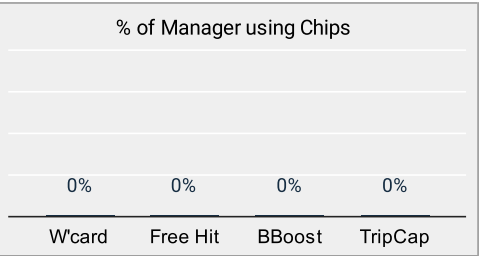

The Gameweek by Numbers

Gameweek 35		
Manager of the Week	Magnus Carlsen	43 pts
Biggest Riser	Tom Freeman	1 rank ▲
Biggest Faller	Tom Stephenson	-1 rank ▼
Most Captained	 Haaland	94%
Most Transferred In	 Mitoma	6%
Most Transferred Out	 Martinelli	6%
Average Captain Score as % of Score		14%
Mini League Average Points vs. FPL		-3
Mini League Median Gameweek Rank		6,672,833

Balls of Steel & Gameweek Charts

'Balls of Steel' shows who picked the **best differential captain** this GW... get a look at those clangers!
