Your Mini-League vs. the World

The average score of your mini-league vs. the FPL universe. This chart shows your mini-league's **median rank** (left axis) and **average points** (right axis) by **Gameweek** (horizontal axis).

Score per Gameweek: How do you match up?

The **best**, **worst** and **average** score in your mini-league for each Gameweek to match your scores up against.

2. GW35: THE REVIEW

The Great and The Good Gameweek 35

The Great and The Good Gameweek 35

Top 15 Teams this Week - Breakdown

This chart shows the top teams this Gameweek sorted by **net points** (which are shown as a number at the end of the bar). We show contributions to the net from manager actions!

GW35: Most Captained in your Mini League

We show the top five most captained players in your mini-league (or as many as were picked), shown as a percentage of managers that put the armband on them.

The Gameweek by Numbers

Gameweek 35

Manager of the Week	Pras United	84 pts
Biggest Riser	Martin Baker	2 ranks 
Biggest Faller	Fábio Borges	-2 rank 
Most Captained	 Haaland	78%
Most Transferred In	 Cherki	44%
Most Transferred Out	 Wilson	28%
Average Captain Score as % of Score		21%
Mini League Average Points vs. FPL		+10
Mini League Median Gameweek Rank		3,607,695

Balls of Steel & Gameweek Charts

'Balls of Steel' shows who picked the **best differential captain** this GW... get a look at those clangers!
